📞 312.670.7444

Seamus has more than ten years of public accounting experience and is a member of ORBA's Tax Group. He has worked extensively on partnership, S-corporation and individual tax accounting. His experience also includes client payroll and bookkeeping, as well as tax law and regulation research.

PROACTIVE

Growing up in a family involved in the independent restaurant industry, Seamus has an entrepreneurial interest in small and midsize businesses. He particularly enjoys building personal relationships with clients and getting to know the intricacies of different businesses and industries that he otherwise could not experience with large firms.

OUTSIDE OF THE OFFICE

Outside the office, Seamus participates in a variety of races and intramural teams throughout the year including beach volleyball, flag football and softball. His passion for sports is shared every fall when he volunteers to coach a youth flag football team. In addition to team sports, Seamus enjoys biking and boating on the lakefront during summer. While he appreciates Chicago, Seamus's sports fan loyalties remain with his home teams in Boston.
