PROACTIVE

Luca possesses a diverse set of skills which allows him to effectively navigate the complexities of transaction-related services for our clients. He is expert in thoroughly conducting the due diligence necessary to identify and analyze the potential risks, legal issues and other factors impacting transactions. His years of project management experience ensures that deadlines are met and tasks are executed efficiently. Clients are confident that Luca possesses the negotiating skills, leadership capabilities and ethical judgment necessary to positively impact their transactions through to a successful conclusion.

OUTSIDE OF THE OFFICE

Outside of the office Luca enjoys playing soccer and basketball. He also loves dinners and foosball tournaments with Italian friends living in Chicago. He spends a lot of time with his girlfriend and her Jordanian side of the family. When visiting his family in Italy he enjoys cooking and spearfishing.
