Aaliyah Gardner is an Audit Associate in the firm's Audit Group. In her role, she assists in planning and executing financial audits, while applying current auditing standards and regulations, to clients' financial statements. She also continuously attends technical training to stay up to date with the latest auditing practices.

### PROACTIVE

Our clients consistently trust that their matters are in capable hands under Aaliyah's direction. She possesses extensive knowledge of auditing standards and Generally Accepted Accounting Principles (GAAP). Additionally, she is highly regarded for her effective collaboration within the Audit Group team, consistently exceeding expectations in her tasks and responsibilities for clients.

### OUTSIDE OF THE OFFICE

Outside of the office, Aaliyah enjoys spending time with friends exploring the city of Chicago, including trying new restaurants and cafes, going to museums and just walking around. She also likes reading and watching movies when relaxing at home.
