Alex Bruscano serves as a Senior Systems Administrator within ORBA's IT Department. Alex has nearly 20 years of IT leadership experience including oversight of infrastructure, application support and security services. He is a proven leader in directing operations, maintenance and support of complex systems.

PROACTIVE

Alex is a creative, insightful and solution-oriented professional with a proven track record of translating business needs into technology requirements that align with our clients' financial objectives and ORBA's business goals. He plays a crucial role in our IT Department, assisting with projects from initial needs analysis and defining client requirements to evaluating vendor solutions, overseeing implementation and training end-users.

OUTSIDE OF THE OFFICE

Outside of the office, Alex enjoys spending time with his son, kayaking, hiking, gardening and woodworking. He also loves food, especially oysters and sashimi.
